SMART VENDING MACHINE

The Idea line is characterized by intelligent vending machines, with 6 or 9 lanes, featuring a 13" or 22" touchscreen designed for dispensing delicate products.

INTERNAL ELEVATOR

Our delicate internal elevator allows for the dispensing of sweets, cakes, cupcakes, as well as eggs, wine bottles, technological products, etc.

The patented Magex system enables the vending of products of different shapes and sizes.

22" OR 13" TOUCH SCREEN

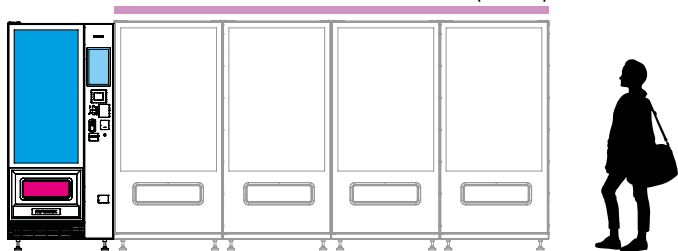

The touchscreen provides a user experience similar to that of an e-commerce platform. The screen offers a menu where the consumer can browse product descriptions, photos, and videos.

IDEA9 SATELLITE MODULE

The Satellite Module is controlled by the main vending machine, known as the Master. The Satellite Module is a fully-fledged Magex machine but without the touchscreen control console. An entire room can be transformed into an automated store by combining Master vending machines and their Satellite Modules. The Idea9 Satellite Module can be paired with all Master vending machines.

TECHNICAL FEATURES

- Foam-insulated for refrigeration
- Reinforced pickup compartment
- Gas-filled thermic anti-vandalism glass
- Console with independent opening
- 13" or 22" HD Monitor
- Quad-core industrial computer
- Operating system installed on 32GB SSD
- LED lighting
- Configurable shelves in height, depth, and number of selections
- Armoured console locks
- Self-diagnostic fault finding system
- Standard multi-control electronics
- Data management and statistics display system
- Temperature control with recording

OPTIONALS

- Drawers with spirals
- Drawers with push system
- Drawers for wine
- Elevator kit for bottle dispensing
- Banknote reader
- Banknote reader with single/multi change giver
- Printer
- QR Code reader
- 22" outdoor high brightness touch screen (Idea 9 only)
- Powerful cooling system
- Variable weight management system
- Credit card/debit card reader (open predisposition)
- Graphic customization
- Age verification reader
- Sanitisation system
- Loyalty card and corporate app integration
- LED lighting rooftop
- Lexan vandal proof door
